Clarification of Reopen Fee Exemption for Actions Related to Discharge

"...the (reopen) fee applies to a request to reopen a case in which the court did not enter a discharge and to clarify the two situations in which the exemption from the reopening fee for 'actions related to the debtor's discharge' is applicable. The two situations in which the fee exemption applies are: (1) to permit a party to file a complaint to obtain a determination under Rule 4007 (b); and (2) when a creditor has violated the terms of the discharge under 11 U.S.C. § 524."
