A screenshot of the "User Information" registration form. It includes fields for "Username \*", "Password \*", and "Confirm Password \*". There are buttons for "Generate Username" and "Check Username Available". Below these are "Security Question 1 \*", "Security Answer 1 \*", "Security Question 2 \*", and "Security Answer 2 \*". A text box provides password requirements: "Your password must be 8 to 45 characters long, and contain at least one lowercase letter, one uppercase letter, and one special character. Use the strength meter to ensure your password is complex enough. It must pass a complexity check based on a password dictionary." A note states: "NOTE: You cannot use your first name, last name, username, or email address in the password, nor can it contain the same character three times in a row." At the bottom are buttons for "Next", "Back", "Reset", and "Cancel".
