A Verification of Matrix must verify that the matrix is accurate and complete to the best of the filer's knowledge, information and belief. The names of minor children and confidential information should not be disclosed.
- (c) A matrix must include the taxing authority for each county where the debtor holds an interest in real estate. In a partnership case, a matrix is required to include the names and addresses of all general and/or limited partners. In a Chapter 11 case, the matrix must include the names and addresses of all equity security holders.
- (d) A debtor must promptly correct errors that are discovered on a mailing matrix.
- (e) When an amendment or a change is made to the mailing matrix which adds a creditor or entity, or changes an address to the mailing matrix, the debtor is required to serve the added creditor or entity with the debtor's Statement of Social Security Number(s); *Notice of Bankruptcy Case, Meeting of Creditors, & Deadlines*; schedule(s) listing the creditor or entity; and any other document affecting the rights of the creditor or entity.
- (f) When an amendment to a schedule adds a creditor or changes an address, the amendment to the mailing matrix must only reflect the additions or changes.
- (g) In the event of a conversion of a case from one chapter to another, the debtor must file an amendment to the mailing matrix which lists only the names and addresses of additional creditors or parties.

Voluntary Petition for Individuals Filing for Bankruptcy 12/15

The bankruptcy forms use *you* and *Debtor 1* to refer to a debtor filing alone. A married couple may file a bankruptcy case together—called a *joint case*—and in joint cases, these forms use *you* to ask for information from both debtors. For example, if a form asks, "Do you own a car," the answer would be *yes* if either debtor owns a car. When information is needed about the spouses separately, the form uses *Debtor 1* and *Debtor 2* to distinguish between them. In joint cases, one of the spouses must report information as *Debtor 1* and the other as *Debtor 2*. The same person must be *Debtor 1* in all of the forms.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. If more space is needed, attach a separate sheet to this form. On the top of any additional pages, write your name and case number (if known). Answer every question.

Part 5: Explain Your Efforts to Receive a Briefing About Credit Counseling

Tell the court whether you have received a briefing about credit counseling.

First Name

The law requires that you receive a briefing about credit counseling before you file for bankruptcy. You must truthfully check one of the following choices. If you cannot do so, you are not eligible to file.

If you file anyway, the court can dismiss your case, you will lose whatever filing fee you paid, and your creditors can begin collection activities again.

About Debtor 1:

You must check one:

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, and I received a certificate of completion.

Attach a copy of the certificate and the payment plan, if any, that you developed with the agency.

I received a briefing from an approved credit counseling agency within the 180 days before I filed this bankruptcy petition, but I do not have a certificate of completion.

Within 14 days after you file this bankruptcy petition, you MUST file a copy of the certificate and payment plan, if any.

I certify that I asked for credit counseling services from an approved agency, but was unable to obtain those services during the 7 days after I made my request, and exigent circumstances merit a 30-day temporary waiver of the requirement.

To ask for a 30-day temporary waiver of the requirement, attach a separate sheet explaining what efforts you made to obtain the briefing, why you were unable to obtain it before you filed for bankruptcy, and what exigent circumstances required you to file this case.

Your case may be dismissed if the court is dissatisfied with your reasons for not receiving a briefing before you filed for bankruptcy.

If the court is satisfied with your reasons, you must still receive a briefing within 30 days after you file. You must file a certificate from the approved agency, along with a copy of the payment plan you developed, if any. If you do not do so, your case may be dismissed.

Any extension of the 30-day deadline is granted only for cause and is limited to a maximum of 15 days.

□ I am not required to receive a briefing about credit counseling because of:

- □ Incapacity. I have a mental illness or a mental deficiency that makes me incapable of realizing or making rational decisions about finances.
- Disability. My physical disability causes me to be unable to participate in a briefing in person, by phone, or through the internet, even after I reasonably tried to do so.
- Active duty. I am currently on active military duty in a military combat zone.

If you believe you are not required to receive a briefing about credit counseling, you must file a motion for waiver of credit counseling with the court. About Debtor 2 (Spouse Only in a Joint Case):

COMMITTEE NOTE

Official Form 101A, *Initial Statement About an Eviction Judgment Against You*, and Official Form 101B, *Statement About Payment of an Eviction Judgment Against You*, are new forms promulgated as part of the Forms Modernization Project. They replace the "Certification by *a Debtor Who Resides as a Tenant of Residential Property*" section on Official Form 1, *Voluntary Petition*. The forms apply only in cases of individual debtors.

Official Form 101A explains that debtors need to complete and file the form only if their landlord has a judgment for possession or an eviction judgment against them and they rent their residence. The form further explains that if the debtor wishes to stay in their residence for 30 days after filing their bankruptcy petition, the certification must be completed. The form adds references to the provisions in the Bankruptcy Code that specify when debtor-tenants subject to eviction may remain in their residence after filing for bankruptcy.

The form eliminates the checkboxes that the debtor has served the landlord with the certification and paid the court the rent that would be due during the 30 days after the filing of the bankruptcy petition. Instead, debtors are required to certify under penalty of perjury that the rent has been paid to the court, and the instructions direct debtors to serve a copy of the statement on the landlord.

The form eliminates the checkbox that the debtor claims there are circumstances under applicable nonbankruptcy law under which the debtor would be permitted to cure the monetary default that gave rise to the judgment for possession (or eviction judgment) and remain in residence. Instead, debtors are required to certify under penalty of perjury that they have the right to stay in their residence under state law or other nonbankruptcy law by paying their landlord the entire delinquent amount. **Official Form 101B** is new. If debtors wish to stay in their residence for more than 30 days after filing the petition, they must complete, file, and serve the form within 30 days after the petition is filed. Under Official Form 101B, debtors certify under penalty of perjury that they have the right to stay in their residence under state law or other nonbankruptcy law by paying their landlord the entire delinquent amount and that they have paid their landlord the entire amount owed as stated in the judgment for possession or in the eviction judgment.

COMMITTEE NOTE

Official Forms 122A-1, 122A-1Supp, 122A-2, 122B, 122C-1, and 122C-2 are updated to comport with the form numbering style developed as part of the Forms Modernization Project. The forms are derived from Official Forms 22A-1, 22A-1Supp, 22A-2, 22B, 122C-1, and 22C-2.

A statement is added to line 26 of Forms 122A-2 and 122C-2 explaining that contributions to qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), may be included in the deduction for contributions to the care of household or family members. Authorization of the deduction of such contributions was added to Bankruptcy Code § 707(b)(2)(A)(ii)(II) by the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295.

Official Forms 122A-1, 122B, and 122C-1 are revised to add a workspace column for debtor 2 at questions 5 and 6 on the forms.

Official Form 122B is also revised to remove former Part 2. This portion of the form provided for the exclusion of certain income of a debtor's non-filing spouse; since that income is not required to be reported, its exclusion is unnecessary.

Other stylistic changes were made throughout the forms.

Chapter 13 Calculation of Your Disposable Income

12/15

To fill out this form, you will need your completed copy of *Chapter 13 Statement of Your Current Monthly Income and Calculation of Commitment Period* (Official Form 122C–1).

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for being accurate. If more space is needed, attach a separate sheet to this form. Include the line number to which the additional information applies. On the top of any additional pages, write your name and case number (if known).

Part 1: Calculate Your Deductions from Your Income

The Internal Revenue Service (IRS) issues National and Local Standards for certain expense amounts. Use these amounts to answer the questions in lines 6-15. To find the IRS standards, go online using the link specified in the separate instructions for this form. This information may also be available at the bankruptcy clerk's office.
Deduct the expense amounts set out in lines 6-15 regardless of your actual expense. In later parts of the form, you will use some of your actual expenses if they are higher than the standards. Do not include any operating expenses that you subtracted from income in lines 5 and 6 of Form 122C–1, and do not deduct any amounts that you subtracted from your spouse's income in line 13 of Form 122C–1.
If your expenses differ from month to month, enter the average expense.
Note: Line numbers 1-4 are not used in this form. These numbers apply to information required by a similar form used in chapter 7 cases.
5. The number of people used in determining your deductions from income Fill in the number of people who could be claimed as exemptions on your federal income tax return, plus the number of any additional dependents whom you support. This number may be different from the number of people in your household.
National StandardsYou must use the IRS National Standards to answer the questions in lines 6-7.
 Food, clothing, and other items: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for food, clothing, and other items.
7. Out-of-pocket health care allowance: Using the number of people you entered in line 5 and the IRS National Standards, fill in the dollar amount for out-of-pocket health care. The number of people is split into two categories—people who are under 65 and people who are 65 or older—because older people have a higher IRS allowance for health care costs. If your actual expenses are higher than this IRS amount, you may deduct the additional amount on line 22.

COMMITTEE NOTE

Official Forms 122A-1, 122A-1Supp, 122A-2, 122B, 122C-1, and 122C-2 are updated to comport with the form numbering style developed as part of the Forms Modernization Project. The forms are derived from Official Forms 22A-1, 22A-1Supp, 22A-2, 22B, 122C-1, and 22C-2.

A statement is added to line 26 of Forms 122A-2 and 122C-2 explaining that contributions to qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), may be included in the deduction for contributions to the care of household or family members. Authorization of the deduction of such contributions was added to Bankruptcy Code § 707(b)(2)(A)(ii)(II) by the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295.

Official Forms 122A-1, 122B, and 122C-1 are revised to add a workspace column for debtor 2 at questions 5 and 6 on the forms.

Official Form 122B is also revised to remove former Part 2. This portion of the form provided for the exclusion of certain income of a debtor's non-filing spouse; since that income is not required to be reported, its exclusion is unnecessary.

Other stylistic changes were made throughout the forms.

COMMITTEE NOTE

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

Official Form 106Sum, Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

Official Form 106A/B, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, Describe Your Personal and Household Items, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, *Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In*, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, *Describe All Property You Own or Have an Interest in That You Did Not List Above*, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

Official Form 106C, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

Official Form 106D, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List Your Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

Official Form 106E/F, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

Official Form 106G, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

Official Form 106H, *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

Official Form 106I, *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

Official Form 106J, *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

Official Form 106J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

Official Form 106Dec, Declaration About an Individual Debtor's Schedules, replaces Official Form 6, Declaration Concerning Debtor's Schedules, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

Declaration, and Signature, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

Be as complete and accurate as possible. If two married people are filing together, both are equally responsible for supplying correct information. Using the property you listed on Schedule A/B: Property (Official Form 106A/B) as your source, list the property that you claim as exempt. If more space is needed, fill out and attach to this page as many copies of Part 2: Additional Page as necessary. On the top of any additional pages, write

your name and case number (if known).

For each item of property you claim as exempt, you must specify the amount of the exemption you claim. One way of doing so is to state a specific dollar amount as exempt. Alternatively, you may claim the full fair market value of the property being exempted up to the amount of any applicable statutory limit. Some exemptions-such as those for health aids, rights to receive certain benefits, and tax-exempt

retirement funds-may be unlimited in dollar amount. However, if you claim an exemption of 100% of fair market value under a law that limits the exemption to a particular dollar amount and the value of the property is determined to exceed that amount, your exemption would be limited to the applicable statutory amount.

COMMITTEE NOTE

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

Official Form 106Sum, Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

Official Form 106A/B, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, Describe Your Personal and Household Items, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, *Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In*, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, *Describe All Property You Own or Have an Interest in That You Did Not List Above*, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

Official Form 106C, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

Official Form 106D, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List Your Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

Official Form 106E/F, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

Official Form 106G, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

Official Form 106H, *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

Official Form 106I, *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

Official Form 106J, *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

Official Form 106J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

Official Form 106Dec, Declaration About an Individual Debtor's Schedules, replaces Official Form 6, Declaration Concerning Debtor's Schedules, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

Declaration, and Signature, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

COMMITTEE NOTE

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

Official Form 106Sum, Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

Official Form 106A/B, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, Describe Your Personal and Household Items, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, *Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In*, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, *Describe All Property You Own or Have an Interest in That You Did Not List Above*, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

Official Form 106C, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

Official Form 106D, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List Your Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

Official Form 106E/F, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

Official Form 106G, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

Official Form 106H, *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

Official Form 106I, *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

Official Form 106J, *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

Official Form 106J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

Official Form 106Dec, Declaration About an Individual Debtor's Schedules, replaces Official Form 6, Declaration Concerning Debtor's Schedules, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

Declaration, and Signature, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

If more space is needed, copy the additional page, fill it out, number the entries, and attach it to this page. On the top of any additional pages, write your name and case number (if known).

1. Do you have any executory contracts or unexpired leases?

No. Check this box and file this form with the court with your other schedules. You have nothing else to report on this form.

Sec. Fill in all of the information below even if the contracts or leases are listed on Schedule A/B: Property (Official Form 106A/B).

2. List separately each person or company with whom you have the contract or lease. Then state what each contract or lease is for (for example, rent, vehicle lease, cell phone). COMMITTEE NOTE

The schedules to be used in cases of individual debtors are revised as part of the Forms Modernization Project, making them easier to read and, as a result, likely to generate more complete and accurate responses. The goals of the Forms Modernization Project include improving the interface between technology and the forms so as to increase efficiency and reduce the need to produce the same information in multiple formats. Therefore, many of the open-ended questions and multiple-part instructions have been replaced with more specific questions. The individual debtor schedules are also renumbered, starting with the number 106 and followed by the letter or name of the schedule to distinguish them from the versions to be used in non-individual cases.

Official Form 106Sum, Summary of Your Assets and Liabilities and Certain Statistical Information, replaces Official Form 6, Summary of Schedules and Statistical Summary of Certain Liability and Related Data (28 U.S.C. § 159), in cases of individual debtors.

The form is reformatted and updated with crossreferences indicating the line numbers of specific schedules from which the summary information is to be gathered. In addition, because most filings are now done electronically, the form no longer requires the debtor to indicate which schedules are attached or to state the number of sheets of paper used for the schedules.

Official Form 106A/B, *Schedule A/B: Property*, consolidates information about an individual debtor's real and personal property into a single form. It replaces Official Form 6A, *Real Property*, and Official Form 6B, *Personal Property*, in cases of individual debtors. In addition to specific questions about the assets, the form also includes open text fields for providing additional information regarding particular assets when appropriate.

The layout and categories of property on Official Form 106A/B have changed. Instead of dividing property interests into two categories (real or personal property), the new form uses seven categories likely to be more familiar to non-lawyers: real estate, vehicles, personal household items, financial assets, business-related property, farm- and commercial fishing-related property, and a catch-all category for property that was not listed elsewhere in the form. The new form categories and the examples provided in many of the categories are designed to prompt debtors to be thorough and list all of their interests in property. The debtor may describe generally items of minimal value (such as children's clothes) by adding the value of the items and reporting the total.

Although a particular item of property may fit into more than one category, the instructions for the form explain that it should be listed only once.

In addition, because property that falls within a particular category may not be specifically elicited by the particular line items on the form, the debtor is asked in Parts 3–6 (lines 14, 35, 44, and 51) to specifically identify and value any other property in the category.

In Part 1, *Describe Each Residence, Building, Land, or Other Real Estate You Own or Have an Interest In*, the debtor is asked to state the "current value of the portion you own," and to also state who has an interest in the property. In addition, the debtor is asked for the nature of the ownership interest, if known by the debtor. Furthermore, instead of asking for an open-ended description of the property, the form guides the debtor in answering the description question by providing eight options from which to choose: single-family home, duplex or multi-unit building, condominium or cooperative, manufactured or mobile home, land, investment property, timeshare, and other.

Part 2, *Describe Your Vehicles*, also guides the debtor in answering the question, asking for the make, model, year, and mileage of the car or other vehicle. Because mileage is just a general indication of vehicle value, the debtor is not required to list the exact mileage, but instead is prompted to provide the approximate mileage.

Part 3, Describe Your Personal and Household Items, simplifies wording, updates categories, and uses more common terms. For example, "Wearing apparel" is changed to "Clothes" and examples include furs, which were previously grouped with jewelry. Firearms, on the other hand, which were previously grouped with sports and other hobbies, are now set out as a separate category. Additionally, because a new Part 6 has been added to separately describe-farm related property, Part 3 includes a category for "Non-farm animals."

Part 4, *Describe Your Financial Assets*, prompts a listing of the debtor's financial assets through several questions providing separate space, after each listed type of account or deposit, for the institution or issuer name and the value of the debtor's interest in the asset. Two new categories of financial assets are added: "Bonds, mutual funds, or publicly traded stocks" and "Claims against third parties, whether or not you have filed a lawsuit or made a demand for payment." In addition, qualified ABLE accounts, as defined in 26 U.S.C. § 529A(b), are added to the list of accounts in question 24. This change is made in response to the Tax Increase Prevention Act of 2014, Pub. Law No. 113-295, which excludes ABLE account contributions meeting the specified requirements from property of the estate.

Part 5, *Describe Any Business-Related Property You Own or Have an Interest In*, provides prompts for listing business-related property, such as accounts receivable, inventory, and machinery, and includes a direction to list business-related real estate in Part 1, to avoid listing real estate twice.

Part 6, *Describe Any Farm- and Commercial Fishing-Related Property You Own or Have an Interest In*, provides prompts for listing farm- or commercial fishing-related property, such as farm animals, crops, and feed. It also includes a direction to list any farm- or commercial fishing-related real estate in Part 1.

Part 7, *Describe All Property You Own or Have an Interest in That You Did Not List Above*, is a catch-all provision that allows the debtor to report property that is difficult to categorize.

Part 8, *List the Totals of Each Part of this Form*, tabulates the total value of the debtor's interest in the listed property. The tabulation includes two subtotals, one for real estate, which corresponds to the real property total that was reported on former Official Form 6A. The second

subtotal is of Parts 2-7, which corresponds to the personal property total that was reported on former Official Form 6B.

Official Form 106C, *Schedule C: The Property You Claim as Exempt*, replaces Official Form 6C, *Property Claimed as Exempt*, in cases of individual debtors.

Part 1, *Identify the Property You Claim as Exempt*, includes a table to list the property the debtor seeks to exempt, the value of the property owned by the debtor, the amount of the claimed exemption, and the law that allows the exemption. The first column asks for a brief description of the exempt property, and it also asks for the line number where the property is listed on Schedule A/B. The second column asks for the value of the portion of the asset owned by the debtor, rather than the entire asset. The third column asks for the amount, rather than the value, of the exemption claim.

The form has also been changed in light of the Supreme Court's ruling in *Schwab v. Reilly*, 560 U.S. 770 (2010). Entries in the "amount of the exemption you claim" column may now be listed as either a dollar limited amount or as 100% of fair market value, up to any applicable statutory limit. For example, a debtor might claim 100% of fair market value for a home covered by an exemption capped at \$15,000, and that limit would be applicable. This choice would impose no dollar limit where the exemption is unlimited in dollar amount, such as some exemptions for health aids, certain governmental benefits, and tax-exempt retirement funds.

Official Form 106D, Schedule D: Creditors Who Hold Claims Secured by Property, replaces Official Form 6D, Creditors Holding Secured Claims, in cases of individual debtors.

Part 1, *List Your Secured Claims*, now directs the debtor to list only the last four digits of the account number. Part 1 also adds four checkboxes with which to describe the nature of the lien: an agreement the debtor made (such as mortgage or secured car loan); statutory lien (such as tax lien, mechanic's lien); judgment lien from a lawsuit; and other.

The form adds Part 2, *List Others to Be Notified for a Debt That You Already Listed*. The debtor is instructed to use Part 2 if there is a need to notify someone about the bankruptcy filing other than the creditor for a debt listed in Part 1. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 2.

Official Form 106E/F, Schedule E/F: Creditors Who Have Unsecured Claims, consolidates information about priority and nonpriority unsecured claims into a single form. It replaces Official Form 6E, Creditors Holding Unsecured Priority Claims, and Official Form 6F, Creditors Holding Unsecured Nonpriority Claims, in cases of individual debtors.

Although both priority and nonpriority unsecured claims are reported in Official Form 106E/F, the two types of claims are separately grouped so that the total for each type can be reported for case administration and statistical purposes. The form eliminates the question "consideration for claim" and instructs debtors to list claims in the alphabetical order of creditors as much as possible.

Part 1, *List All of Your PRIORITY Unsecured Claims*, includes four checkboxes for identifying the type of priority that applies to the claim: domestic support obligations; taxes and certain other debts owed to the government; claims for death or personal injury while intoxicated; and "other." The first three categories are required to be separately reported for statistical purposes. If the debtor selects "other," the debtor must specify the basis of the priority, *e.g.*, wages or employee benefit plan contribution.

Part 2, *List All of Your NONPRIORITY Unsecured Claims*, contains four checkboxes, including three for types of claims that must be separately reported for statistical purposes: student loans; obligations arising out of a separation agreement or divorce not listed as priority claims; and debts to pension or profit-sharing plans and other similar debts. The remaining "other" checkbox treats claims not subject to separate reporting. If the debtor selects "other," the debtor must specify the basis of the claim. Part 3, *List Others to Be Notified About a Debt That You Already Listed*, is new. The debtor is instructed to use Part 3 only if there is a need to give notice of the bankruptcy to someone other than a creditor listed in Parts 1 and 2. For example, if a collection agency is trying to collect for a creditor listed in Part 1, the collection agency would be listed in Part 3.

Finally, Part 4, *Add the Amounts for Each Type of Unsecured Claim*, requires the debtor to provide the total amounts of particular types of unsecured claims for statistical reporting purposes and the overall totals of the priority and nonpriority unsecured claims reported in this form.

Official Form 106G, Schedule G: Executory Contracts and Unexpired Leases, replaces Official Form 6G, Executory Contracts and Unexpired Leases, in cases of individual debtors.

The form is simplified. Instead of requiring the debtor to make multiple assertions about each potential executory contract or unexpired lease, the form simply requires the debtor to identify the name and address of the other party to the contract or lease, and to state what the contract or lease deals with. Definitions and examples of executory contracts and unexpired leases are included in the separate instructions for the form.

An additional page is provided in case the debtor has so many executory contracts and unexpired leases that the available page is not adequate. If the debtor needs to use the additional page, the debtor is required to fill in the entry number.

Official Form 106H, *Schedule H: Your Codebtors*, replaces Official Form 6H, *Codebtors*, in cases of individual debtors.

The form breaks out the questions about whether there are any codebters, and whether the debtor has lived with a spouse, former spouse, or legal equivalent in a community property state in the prior eight years. It also removes Alaska from the listed community property states. Finally, it asks the debtor to indicate where the debt is listed on Schedule D, Schedule E/F, or Schedule G, thereby eliminating the need to list the name and address of the creditor.

Official Form 106I, *Schedule I: Your Income*, replaces Official Form 6I, *Your Income*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

Official Form 106J, *Schedule J: Your Expenses*, replaces Official Form 6J, *Your Expenses*, in cases of individual debtors.

The form is one of an initial set of forms that were published as part of the Forms Modernization Project in 2012. It is renumbered and internal cross references are updated to conform to the new numbering system now being introduced by the Forms Modernization Project.

The form has been revised to include references to new *Schedule J-2: Expenses for Separate Household of Debtor 2* (Official Form 106J-2) at line 1 and new line 22b. The revisions clarify how to calculate monthly net income in joint cases where Debtor 1 and Debtor 2 maintain separate households. Line 22b is added so Schedule J and Schedule J-2 are easily coordinated.

Official Form 106J-2 is new. It is used to report the monthly expenses of Debtor 2 in a joint debtor case only if Debtor 1 and Debtor 2 maintain separate households.

Official Form 106Dec, Declaration About an Individual Debtor's Schedules, replaces Official Form 6, Declaration Concerning Debtor's Schedules, in cases of individual debtors.

The form, which is to be signed by the debtor and filed with the debtor's schedules, deletes the Declaration and Signature of Bankruptcy Petition Preparer (BPP). Instead, the debtor is directed to complete and file Official Form 119, *Bankruptcy Petition Preparer's Notice*,

Declaration, and Signature, if a BPP helped fill out the bankruptcy forms.

Because the form applies only to individual debtors, it no longer contains the Declaration Under Penalty of Perjury on Behalf of a Corporation or Partnership. It also deletes from the declaration the phrase "to the best of my knowledge, information, and belief" in order to conform to the language of 28 U.S.C. § 1746. *See* Rule 1008.

Notice Required by 11 U.S.C. § 342(b) for Individuals Filing for Bankruptcy (Form 2010)

This notice is for you if:

You are an individual filing for bankruptcy, and

Your debts are primarily consumer debts. Consumer debts are defined in 11 U.S.C. § 101(8) as "incurred by an individual primarily for a personal, family, or household purpose."

The types of bankruptcy that are available to individuals

Individuals who meet the qualifications may file under one of four different chapters of the Bankruptcy Code:

- Chapter 7 Liquidation
- Chapter 11— Reorganization
- Chapter 12— Voluntary repayment plan for family farmers or fishermen
- Chapter 13— Voluntary repayment plan for individuals with regular income

You should have an attorney review your decision to file for bankruptcy and the choice of chapter.

Chapter 7: Liquidation

	\$245	filing fee
	\$75	administrative fee
+	\$15	trustee surcharge
	\$335	total fee

Chapter 7 is for individuals who have financial difficulty preventing them from paying their debts and who are willing to allow their nonexempt property to be used to pay their creditors. The primary purpose of filing under chapter 7 is to have your debts discharged. The bankruptcy discharge relieves you after bankruptcy from having to pay many of your pre-bankruptcy debts. Exceptions exist for particular debts, and liens on property may still be enforced after discharge. For example, a creditor may have the right to foreclose a home mortgage or repossess an automobile.

However, if the court finds that you have committed certain kinds of improper conduct described in the Bankruptcy Code, the court may deny your discharge.

You should know that even if you file chapter 7 and you receive a discharge, some debts are not discharged under the law. Therefore, you may still be responsible to pay:

- most taxes;
- most student loans;
- domestic support and property settlement obligations;

- most fines, penalties, forfeitures, and criminal restitution obligations; and
- certain debts that are not listed in your bankruptcy papers.

You may also be required to pay debts arising from:

- fraud or theft;
- fraud or defalcation while acting in breach of fiduciary capacity;
- intentional injuries that you inflicted; and
- death or personal injury caused by operating a motor vehicle, vessel, or aircraft while intoxicated from alcohol or drugs.

If your debts are primarily consumer debts, the court can dismiss your chapter 7 case if it finds that you have enough income to repay creditors a certain amount. You must file *Chapter 7 Statement of Your Current Monthly Income* (Official Form 122A–1) if you are an individual filing for bankruptcy under chapter 7. This form will determine your current monthly income and compare whether your income is more than the median income that applies in your state.

If your income is not above the median for your state, you will not have to complete the other chapter 7 form, the *Chapter 7 Means Test Calculation* (Official Form 122A–2).

If your income is above the median for your state, you must file a second form —the *Chapter 7 Means Test Calculation* (Official Form 122A–2). The calculations on the form—sometimes called the *Means Test*—deduct from your income living expenses and payments on certain debts to determine any amount available to pay unsecured creditors. If

your income is more than the median income for your state of residence and family size, depending on the results of the *Means Test*, the U.S. trustee, bankruptcy administrator, or creditors can file a motion to dismiss your case under § 707(b) of the Bankruptcy Code. If a motion is filed, the court will decide if your case should be dismissed. To avoid dismissal, you may choose to proceed under another chapter of the Bankruptcy Code.

If you are an individual filing for chapter 7 bankruptcy, the trustee may sell your property to pay your debts, subject to your right to exempt the property or a portion of the proceeds from the sale of the property. The property, and the proceeds from property that your bankruptcy trustee sells or liquidates that you are entitled to, is called *exempt property*. Exemptions may enable you to keep your home, a car, clothing, and household items or to receive some of the proceeds if the property is sold.

Exemptions are not automatic. To exempt property, you must list it on *Schedule C: The Property You Claim as Exempt* (Official Form 106C). If you do not list the property, the trustee may sell it and pay all of the proceeds to your creditors.

Chapter 11: Reorganization

	\$1,167	filing fee
+	\$550	administrative fee
	\$1,717	total fee

Chapter 11 is often used for reorganizing a business, but is also available to individuals. The provisions of chapter 11 are too complicated to summarize briefly.

Read These Important Warnings

Because bankruptcy can have serious long-term financial and legal consequences, including loss of your property, you should hire an attorney and carefully consider all of your options before you file. Only an attorney can give you legal advice about what can happen as a result of filing for bankruptcy and what your options are. If you do file for bankruptcy, an attorney can help you fill out the forms properly and protect you, your family, your home, and your possessions.

Although the law allows you to represent yourself in bankruptcy court, you should understand that many people find it difficult to represent themselves successfully. The rules are technical, and a mistake or inaction may harm you. If you file without an attorney, you are still responsible for knowing and following all of the legal requirements.

You should not file for bankruptcy if you are not eligible to file or if you do not intend to file the necessary documents.

Bankruptcy fraud is a serious crime; you could be fined and imprisoned if you commit fraud in your bankruptcy case. Making a false statement, concealing property, or obtaining money or property by fraud in connection with a bankruptcy case can result in fines up to \$250,000, or imprisonment for up to 20 years, or both. 18 U.S.C. §§ 152, 1341, 1519, and 3571.

Chapter 12: Repayment plan for family farmers or fishermen

	\$200	filing fee
+	\$75	administrative fee
	\$275	total fee

Similar to chapter 13, chapter 12 permits family farmers and fishermen to repay their debts over a period of time using future earnings and to discharge some debts that are not paid.

Chapter 13: Repayment plan for individuals with regular income

	\$235	filing fee
+	\$75	administrative fee
	\$310	total fee

Chapter 13 is for individuals who have regular income and would like to pay all or part of their debts in installments over a period of time and to discharge some debts that are not paid. You are eligible for chapter 13 only if your debts are not more than certain dollar amounts set forth in 11 U.S.C. § 109. Under chapter 13, you must file with the court a plan to repay your creditors all or part of the money that you owe them, usually using your future earnings. If the court approves your plan, the court will allow you to repay your debts, as adjusted by the plan, within 3 years or 5 years, depending on your income and other factors.

After you make all the payments under your plan, many of your debts are discharged. The debts that are not discharged and that you may still be responsible to pay include:

- domestic support obligations,
- most student loans,
- certain taxes,
- debts for fraud or theft,
- debts for fraud or defalcation while acting in a fiduciary capacity,
- most criminal fines and restitution obligations,
- certain debts that are not listed in your bankruptcy papers,
- certain debts for acts that caused death or personal injury, and
- certain long-term secured debts.

Warning: File Your Forms on Time

Section 521(a)(1) of the Bankruptcy Code requires that you promptly file detailed information about your creditors, assets, liabilities, income, expenses and general financial condition. The court may dismiss your bankruptcy case if you do not file this information within the deadlines set by the Bankruptcy Code, the Bankruptcy Rules, and the local rules of the court.

For more information about the documents and their deadlines, go to: http://www.uscourts.gov/forms/bankruptcy-forms

Bankruptcy crimes have serious consequences

- If you knowingly and fraudulently conceal assets or make a false oath or statement under penalty of perjury—either orally or in writing—in connection with a bankruptcy case, you may be fined, imprisoned, or both.
- All information you supply in connection with a bankruptcy case is subject to examination by the Attorney General acting through the Office of the U.S. Trustee, the Office of the U.S. Attorney, and other offices and employees of the U.S. Department of Justice.

Make sure the court has your mailing address

The bankruptcy court sends notices to the mailing address you list on *Voluntary Petition for Individuals Filing for Bankruptcy* (Official Form 101). To ensure that you receive information about your case, Bankruptcy Rule 4002 requires that you notify the court of any changes in your address. A married couple may file a bankruptcy case together—called a *joint case*. If you file a joint case and each spouse lists the same mailing address on the bankruptcy petition, the bankruptcy court generally will mail you and your spouse one copy of each notice, unless you file a statement with the court asking that each spouse receive separate copies.

Understand which services you could receive from credit counseling agencies

The law generally requires that you receive a credit counseling briefing from an approved credit counseling agency. 11 U.S.C. § 109(h). If you are filing a joint case, both spouses must receive the briefing. With limited exceptions, you must receive it within the 180 days **before** you file your bankruptcy petition. This briefing is usually conducted by telephone or on the Internet.

In addition, after filing a bankruptcy case, you generally must complete a financial management instructional course before you can receive a discharge. If you are filing a joint case, both spouses must complete the course.

You can obtain the list of agencies approved to provide both the briefing and the instructional course from: <u>http://www.uscourts.gov/services-forms/bankruptcy/credit-courseling-and-debtor-education-courses</u>.

In Alabama and North Carolina, go to: http://www.uscourts.gov/servicesforms/bankruptcy/credit-counseling-anddebtor-education-courses.

If you do not have access to a computer, the clerk of the bankruptcy court may be able to help you obtain the list.

Part 1: Notices

To Creditors: Your rights may be affected by this plan. You should read this plan carefully and discuss it with your attorney if you have one. If you oppose the plan's treatment of your claim or any provision of this plan, you or your attorney must timely file an objection to confirmation. Objections by any party other than the Chapter 13 Trustee must be in writing and filed with the court **no later than fourteen days after the date first set for the section 341(a) meeting of creditors**, unless otherwise permitted by the court. If this proposed plan was not filed at least nine days before the date first set for the meeting of creditors, objections must be filed within twenty-three days from the issuance of the Clerk's notice of the confirmation hearing that accompanies this proposed plan, or amended plan, unless otherwise permitted by the court. The plan may be confirmed without further notice if no objection is timely filed.

This plan does not allow claims. The fact that your claim is classified herein does not mean that you will receive payment. To be paid a timely proof of claim must be filed.

Non-standard provisions, if any, are specifically set forth in Paragraphs 3.4, 5.3 and 8.1. Each section should be read to determine if your rights are affected by any proposed nonstandard provisions. Limitation of a secured claim or its strip-off based on valuation under 11 U.S.C. § 506 and the avoidance of a security interest under 11 U.S.C. § 522(f) require a separate motion or adversary proceeding.

Secured Claims. Each holder of an allowed secured claim, which is paid in full during the life of the plan and for which the collateral is not surrendered, shall retain the lien securing the claim until the earlier of: (1) payment of the underlying debt as determined under non-bankruptcy law; or (2) discharge. Should this case be dismissed or converted before the plan is completed, the lien securing an allowed secured claim shall be retained by the holder to the extent recognized by non-bankruptcy law. If relief from the automatic stay is ordered as to any item of collateral listed below, then the Trustee is authorized to cease all payments to the secured creditor.

Adequate Protection Payments. Unless otherwise ordered, if a secured creditor is being paid through the Trustee, then all Section 1326(a)(1) adequate protection payments shall be made through the Trustee in the amount set forth in this Proposed Plan. The Trustee is not obligated to make any pre-confirmation adequate protection payments to a secured creditor until that creditor files a proof of claim.

3.1 Direct Payments Made by the Debtor on Secured Debts. The Debtor is not in arrears on the secured debts listed below and will directly maintain the current contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule.

3.2 Cure of Arrearage and Maintenance of Payments. Any existing arrearage will be paid in full by the Trustee at 0% interest unless otherwise indicated. The Trustee will maintain the contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. The amount of the arrearage and on-going payment listed in a creditor's timely filed and allowed claim controls over the amount listed below and such a creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim.

3.3 Secured Claims Excluded from 11 U.S.C. 506. The claims listed below were either: (1) incurred within 910 days before the petition date and secured by a purchase money security interest in a motor vehicle acquired for the personal use of the debtor(s), or (2) incurred within 1 year of the petition date and secured by a purchase money security interest in any other thing of value. Claims that are modified in a Chapter 13 plan must be paid through the Chapter 13 Trustee. The Trustee may pay the interest, secured principal and arrearage amount on an amortized basis over the life of the plan, and, thus, the total amount of interest may vary from the amount calculated. Unless otherwise ordered by the court, the claim amount stated in a timely filed proof of claim controls over any contrary amount listed below, otherwise, the amount listed below controls. The amounts listed in a creditor's timely filed and allowed claim controls over the amount listed below and such a creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim. Payment of a claim described in the final paragraph of section 1325(a) of the Bankruptcy Code may be listed here.

3.5 Secured Claims that are Subject to a Separate Motion or Adversary Proceeding Based on Valuation. This Plan does not value claims. To value a claim pursuant 11 U.S.C. 506, the Debtor must file and serve a separate motion pursuant to Fed. R. Bankr. P. 3012, 7004, 9014(b), or, as applicable, file an adversary proceeding under Fed. R. Bankr. P. 7001, or submit an agreed order to the Court resolving value. The information provided below is for information purposes only, and the Debtor's valuation stated herein is subject to change, without the need to modify the plan, based on the resolution of any motion or adversary proceeding, or pursuant to the terms of an agreed order regarding valuation. The amount of the creditor's claim in excess of the Debtor's valuation for the collateral shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. If an order is entered treating the claim as wholly unsecured then the creditor's lien will be avoided pursuant to 11 U.S.C. 506.

Claim No. (if known)	Creditor	Collateral	Amount Owed	Debtor's Valuation	Interest Rate	90 Days Interest + Principal	Total Paid in Plan

3.6 Lien Avoidance. This plan does not avoid judicial liens or nonpossessory, nonpurchase money security interests under 11 U.S.C. 522(f). To avoid such liens, the Debtor must file and serve a separate motion on the affected creditor(s) pursuant to Fed. R. Bankr. P. 7004 and 9014(b). The Debtor may at a later date seek to avoid a judicial lien held by a creditor not listed below. The information provided below is for information purposes only, and the information provided is subject to change, without the need to modify the plan, based on the resolution of the Debtor's motion to avoid lien. The monthly payment amount and the duration of payments are subject to the Trustee's discretion. The amount of the creditor's avoided lien, if any, shall be treated with other general unsecured claims and paid pro rata provided that the creditor timely files a proof of claim. The Debtor discloses the intention to avoid liens held by the following creditors:

Claim No. (if known)	Creditor	Collateral/ Face Value Of Lien	Estimated Remaining Lien Value	Interest Rate	90 Days Interest + Principal	Total Paid in Plan

3.7 Surrender or Sale of Collateral. For property the Debtor proposes to sell, a separate motion and proposed order must be filed which provide the details of the sale. Court approval must be obtained for the hire and use of a professional to sell property. After the payment of secured debts and the costs of sale, all net proceeds shall be paid to the Trustee for distribution. Property to be sold by the Debtor that is not sold in the applicable time period listed below will be surrendered to the creditor unless the Trustee or Debtor requests additional time, or unless the Debtor modifies the plan to retain the collateral and cure existing defaults. A secured creditor entitled to a deficiency claim must file that claim within 90 days of the date of confirmation or entry of an Order granting relief from stay, within 90 days of the date that the real or personal property is surrendered, or within 30 days of a sale that is conducted by the Debtor, unless otherwise ordered by the Court. Any allowed unsecured claim resulting from the disposition of the collateral will be paid pro rata with all other general unsecured claims. The Debtor requests that upon confirmation of this plan the stay under 11 U.S.C. 362(a) and 1301 be terminated with respect to surrendered collateral. This request is not a motion, is not governed by 11 U.S.C. 362(d) or (e), and no fee is owed.

Claim No. (if known)	Creditor	Collateral	Amount Owed	Debtor's Valuation / Amount Secured	Indicate if Surrender or Sale	Time to Complete Sale, if Applicable

Part 4: Treatment of Fees and Priority Claims

4.1 General. Unless the holder of a priority claim agrees to different treatment, Trustee's fees and all allowed priority claims, including domestic support obligations other than those treated in Section 4.4.1, will be paid in full without post-petition interest. Any agreement for different treatment should be formalized in a joint stipulation between the priority creditor and the Debtor and be filed with the Court.

4.2 Trustee's Fees. The Trustee's fee is governed by statute and may change during the course of the case. The Trustee's fee is estimated to be 10% of the Total Plan Base.

Total Plan Base as stated in Part 2 :	\$0.00
Total Plan Estimated Trustee's Fees:	\$0.00

4.3 Attorney's Fees. After a Debtor's Chapter 13 plan is confirmed, the Chapter 13 Trustee shall pay all outstanding attorney's fees concurrently with any secured debt payments and any domestic support obligation that is to be paid by the Trustee; provided, however, that funds are to be applied first to long term mortgage debts paid through the Trustee, second to equal monthly payments to other secured creditors, third to domestic support creditors, and only then to attorney's fees. Attorney's fees are to be paid, in full, before any plan payment is applied to an arrearage claim or before payment is applied to any other priority or unsecured debt.

Total attorney's fee	\$0.00
Amount received pre-petition	\$0.00
Amount to be paid in the plan by the Trustee	\$0.00

4.4 Domestic Support Obligations. If the Debtor has domestic support obligations, use only the initials of minor children and do not list confidential information.

4.4.1 Domestic Support Obligations Assigned or Owed to A Governmental Unit and Paid Less than the Full Amount. The allowed priority claims listed below are based on a domestic support obligation that has been assigned or is owed to a governmental unit and will be paid less than the full amount of the claim under 11 U.S.C. 1322(a)(4). This plan provision requires that payments in Part 2 be for a term of 60 months.

5.1 Direct Payments Made by the Debtor on Unsecured Debts. The Debtor is not in arrears on the unsecured debts listed below and will directly maintain the current contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rules.

Claim No. (if known)	Unsecured Creditor	Type of Debt (e.g., student loan, co-debtor claims, executory contracts, unexpired leases, etc.)	Monthly Payment	Number of Payments Remaining

5.2 Maintenance of Payments and Cure of any Defaults on Unsecured Claims. Any existing arrearages will be paid in full by the Trustee at 0% interest unless otherwise indicated. The Trustee will maintain the contractual installment payments, with any change required by the applicable contract that is noticed in conformity with any applicable rule. Unless otherwise ordered by the court, the amount listed on a timely filed proof of claim controls over any amounts listed below as to the current installment payment and arrearage. A creditor need not object to confirmation on the basis that this proposed plan does not accurately reflect the creditor's proof of claim. In the absence of a contrary timely proof of claim, the amount stated below is controlling. If relief from the automatic stay is ordered as to any of the debts listed below, then the Trustee is authorized to cease all payments to the unsecured creditor.

5.3 Other Separately Classified Non-Priority Unsecured Claims. The Debtor proposes the following treatment:

5.4 Non-Priority Unsecured Claims Not Separately Classified. Allowed nonpriority claims that are not separately classified will be paid pro rata. Payment of any dividend will depend on the amount of secured and priority claims allowed, payments to separately designated classes, and the total amount of all allowed unsecured claims. No payment will be made until unsecured priority claims are paid in full, and no payment will be made on scheduled claims unless a proof of claim is filed. The value as of the effective date of the plan of property to be distributed in the plan on account of each allowed unsecured claim is not less than the amount that would be paid on such claim if the estate of the Debtor was liquidated in Chapter 7 of the Bankruptcy Code on that date.

Estimated distribution to unsecured creditors \$.0.00 Estimate dividend on unsecured claims \$0.00

5.5 Special Provisions Governing Student Loans. This Plan does not provide for discharge of a debtor's student loan obligation. Discharge of a student loan requires a separate adversary proceeding. The debtor shall be allowed to seek enrollment in any applicable income-driven repayment plan with the U.S. Department of Education and/or other student loan servicers, guarantors, etc., without disqualification due to the debtor's bankruptcy provided that the debtor otherwise qualifies for an income-driven repayment plan. If the debtor qualifies and enrolls in an income-driven repayment plan, the debtor shall notify the Chapter 13 Trustee within 30 days of the amount of such payment and of any subsequent change in that payment. It shall not be a violation of the automatic stay or confirmation order for an educational lender, servicer, or guarantor to send the debtor normal monthly statements regarding payments due and other communications including, without limitation, notices of late payment or delinquency.

Part 6: Executory Contracts and Unexpired Leases

6.1 Assumption and Rejection. The executory contracts and unexpired leases listed below are assumed and will be treated as specified in Section 5.1, 5.2, and/or 5.3. Any executory contract or unexpired lease not listed below, or not specifically listed in Part 5, is rejected.
